Volunteer Certification

To Whom It May Concern,

This is to certify Eyson Chen as a passionate and responsible volunteer for our group's **<Fly! Showmei> Social Impact project.**

Eyson led the team and co-created a series of courses to inspire the students of the Laomei Elementary School, aided in their English learning, and helped them enhance their confidence and communication skills.

We also want to thank Eyson for designing the English Tourism Guide, which is incredibly helpful in building Laomei into a touristic spot.

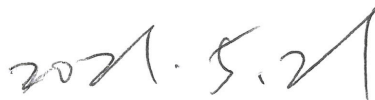

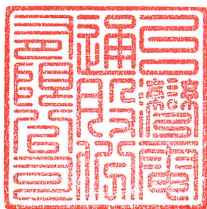

Eyson is an enthusiastic and diligent volunteer. We wish him the best of luck on his future endeavors.
